# Advising In Tykeson Hall

CAS

COLLEGE  
OF  
ARTS +  
SCIENCES

- Partnership with Career Center and Undergraduate Studies
- Main function is to advise exploring (undeclared) students and CAS majors
- Mainly supplementary to the advising currently done in CAS departments
- Will be a staff of full-time professional advisors who do both academic and career advising in an integrated way
- Career center will focus on career development and employer relations
- Students will be placed in a themed areas called “flight paths”
  - E.g., Healthy communities

# Timeline

- Search for Director of Tykeson Advising underway and hope to have person in place by January
- Hire about 20 new advisors in winter and spring terms
- Move-in during August 2019
- Building opens beginning of fall term 2019
