

In preparation for Bruce Blonigen's annual evaluation we are asking the Wise Heads to collect responses via this survey, summarize the information and provide generalized feedback on Bruce's performance this past year. This should take 5-10 minutes of your time.

Written feedback in each category is intentionally limited so that we can focus our efforts on key patterns. The survey will not record any identifying information with your response unless you choose to provide it.

This survey is regarding Bruce Blonigen.
