

TTF Offer Letter Term Sheet

Office of the Provost & Academic Affairs

November 30, 2017 1:30-3:00 PM

Knight Library – Proctor room 41

Welcome & Introductions

Rocco Luiere

Assistant Vice Provost for Budget and Strategy

Anna Shamble

Senior Project Manager

Sierra Dawson

Assistant Vice Provost for Academic Affairs

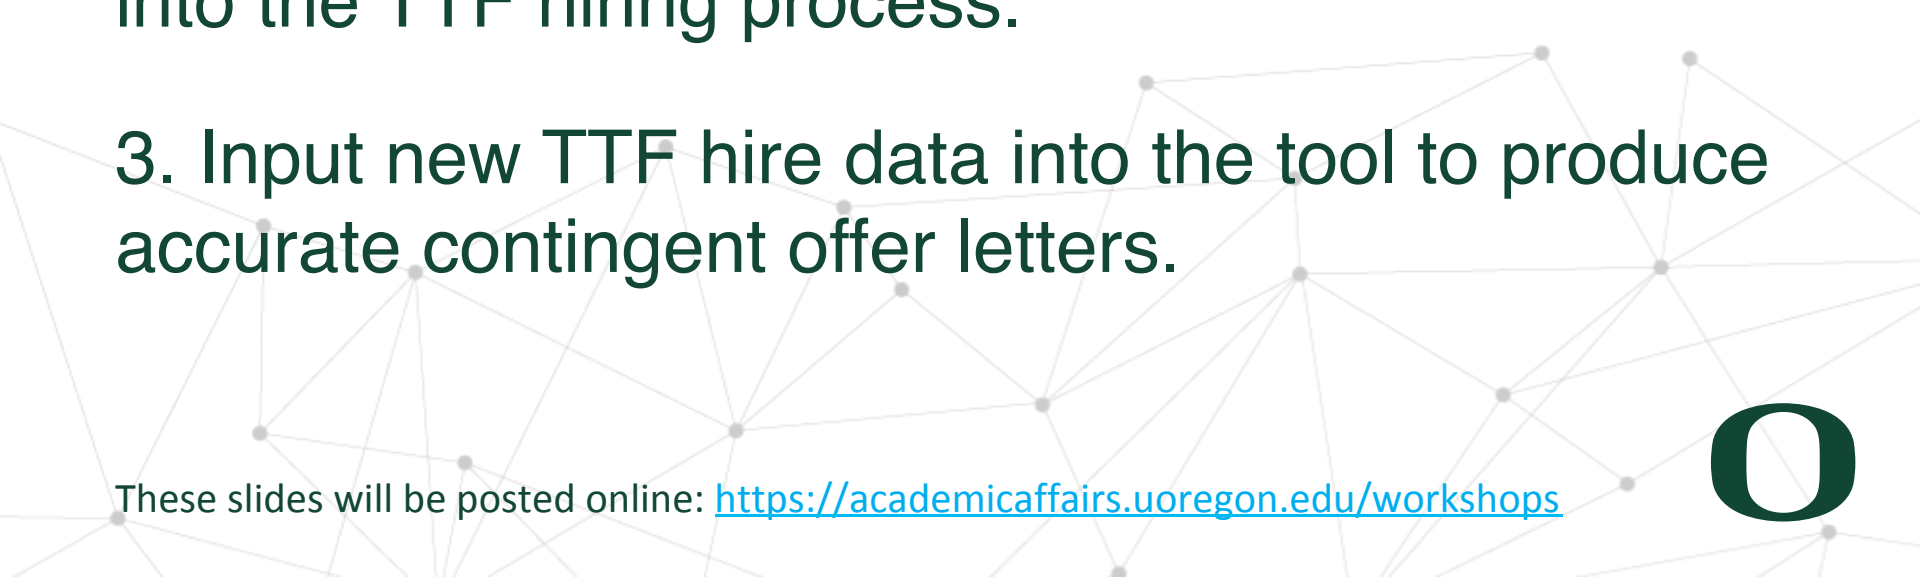

O

Objectives

Participants will be able to...

1. Explain why the term sheet is needed, and how it aids in two-way communication.
 2. Describe how the term sheet and offer letter fits into the TTF hiring process.
 3. Input new TTF hire data into the tool to produce accurate contingent offer letters.
- 

At your tables...

Please introduce yourself:

What is an offer summary?

Arthur Vandelet

122 South Main Street, Apartment 19

New York, NY 12222

This letter is to inform you of my recommendation to the Provost that you officially be offered a position as a tenure-track Assistant Professor with a primary appointment in the Department of the History of Art and Architecture in the College of Design, and a secondary appointment in the College of Arts & Sciences, at the University of Oregon. The following is an informational summary of the details we have discussed regarding this position.

CLASSIFICATION, RANK, AND AFFILIATIONS

- The proposed appointment will be classified as tenure-track Assistant.
- The proposed appointment will be at the rank of Assistant Professor.
- The Institute for Sustainable Environment is also pleased to welcome you as a member of their research faculty.

APPOINTMENT, SALARY, AND BENEFITS

- Your appointment will commence on 9/16/2020.
- The annual academic nine-month base salary for your position is \$72,500.
- You will also receive the university's standard benefits package, including a choice of health, dental, vision, and retirement plans.

New York, NY 12222

Dear Arthur,

We are delighted to offer you a position as a tenure-track Assistant Professor with a primary appointment in the Advertising Program in the College of Design, and a secondary appointment in the College of Arts & Sciences, at the University of Oregon (UO). Given your research interests, profile, and trajectory, we will also officially recognize your appointment as part of the university's Presidential Initiative in Data Science. This offer letter summarizes the previously discussed details of the appointment.

Should you accept this contingent offer and subject to the conditions outlined below, your appointment will carry a full-time, 9-month academic year base salary of \$72,500. You will also receive the university's standard benefits package, including a choice of health, dental, vision, and retirement plans, which are described on the Human Resources website: <http://benefits.uoregon.edu/>. If you have questions that are not addressed on this website, we can put you in touch with someone who can answer them for you. Your employment with the university will be governed by the rules and policies described in the enclosed Policies, Procedures, and Agreements Addendum. Please note that this letter is only meant to provide a brief, general overview of your employment with the UO. If you have specific concerns, please review the

What is an addendum?

Policies, Procedures, and Agreements Addendum

Policies and procedures governing your employment:

Your employment is governed by the University of Oregon's policies, to the extent applicable, school or college policies and procedures, and any amendments to the governing policies, agreements, processes and rules. Your employment may also be governed by the United Academics collective bargaining agreement (CBA). To determine whether your position is subject to the CBA, please review Article 1 of the CBA or contact the labor relations department (Nancy Resnick, Chief Human Resources Officer, 541-346-2987 | nresneck@uoregon.edu). In the event of a conflict between the university's policies and the CBA, the university's policies and the CBA are controlling.

Please note that all employees, including faculty members, are subject to the university's reassignment policy, which gives the university the discretion to reassign employees for administrative need. This means that you could be reassigned to another geographic location, office space, or unit.

Contracts issued prior to UO's receipt of documentation of your required/terminal degree will be issued as one-year fixed-term acting assistant contracts. If documentation of your degree is received before the expiration of your initial one-year contract, that contract will be revised to a three-year assistant contract, effective as of your start date.

Why are offer letter term sheets needed?

What problem is this new system addressing?

O

The following clauses are based on actual TTF offer letters.

What problems do you see?

O

Your normal full time teaching load is five courses per year. Your teaching responsibilities will include internship and at least two undergraduate offerings per year. The other courses you will teach will be determined in consultation with you and the Program Director.

We acknowledge that you will lead a program for [another institution] in Hamburg in the fall of 2013, and may continue to provide teaching for that program in the future, until it is feasible for you to establish a Hamburg program at UO.

In order to ensure that you will have continuous medical insurance coverage, you will receive a paid appointment from August 31, 2012 through September 14, 2012. This paid appointment will not affect your tenure clock, as your official faculty contract will commence on September 15, 2012.

The initial appointment will be for three years, beginning August 1, 2008. As with all faculty members, you will be reviewed at the end of your three-year initial appointment for continuation. At the end of 6.0 FTE years, a tenure decision will be required.

Rationale

Natural extension of the Institutional Hiring Plan (IHP)

Thirty-year commitments require documentation of what we are committing to.

Avoid violating CBA, UO Policy or state law.

Avoid making promises we can not keep.

O

Where does the offer letter term sheet fit in the hiring process?

Starting with the big picture

O

The Big Picture (Part 1)

- Search is approved by Provost via IHP process
- OPAA and Unit launch search in MyTrack
- Unit conducts search – applications, interviews, etc
- Unit/Dean identify and approve finalist
- Unit/Dean negotiate elements of offer with finalist using **TERM SHEET, OFFER SUMMARY** (Dean will coordinate with VPRI/OPAA where appropriate)
- Unit emails final **TERM SHEET**, any **ADDENDA** to Dean for approval
- Dean emails **TERM SHEET, ADDENDA** to OPAA for approval and processing

The Big Picture (Part 2)

- OPAA compares terms to search expectations; follow up if needed
- OPAA generates pdf “offer package” (contingent **OFFER LETTER** and any **ADDENDA**); emails to Dean
- Dean signs and sends offer package to finalist
- If accepts, Dean emails signed offer package to OPAA, VPRI (if appropriate)
 - If search was conducted outside MyTrack (e.g. AJO), Unit also submits candidate application materials to HR
- OPAA emails signed offer package to HR
- HR completes MyTrack offer card, issues final notice of appointment online to finalist
