General Employment

The Oregonian NETWORK ENGINEER

We are currently seeking a Network Engineer with leadership aspirations to manage company systems support and network operations. The person in the position is responsible for managing the technical design, implementation, support and the maintenance of the network and assigned technology systems of the Oregonian Publishing Company.

For information regarding responsibilities and qualifications see our ad online
use key word- Network Engineer or
ad id 55640231- on OregonLive.com

The Oregonian is the leading multi-media organization in the greater Portland area. We are adding creative, high-energy individuals who want to help shape the new media landscape. We offer a dynamic, team-based work environment. We are the third largest newspaper on the West Coast and deliver relevant content to readers and viewers via newspaper, magazine, web, social, and mobile channels.

We offer an excellent benefits package, including: medical; dental; vision; short- and long-term disability; a commuter pre-tax benefit; life insurance; a 401(k) with company match; as well as various employee discounts and event opportunities provided throughout the year.

Qualified applicants may email cover letter and resume to jobapp@oregonian.com. Please include the job title in the subject line of your email. The Oregonian is an equal opportunity, drug-free employer.
