

2014 Label Updates

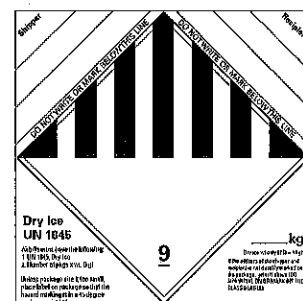

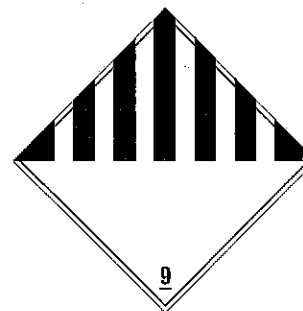

The following labels will become obsolete on October 1, 2014. The Pipeline Hazardous Materials Safety Administration (PHMSA) in previously published regulation, HM 215F is eliminating older versions of the Class 9 (Miscellaneous) and Division 6.2 Infectious Substances labels effective October 1, 2014.

- The Division 6.2 (Infectious Substances) hazard label will no longer allow the optional verbiage of "In U.S.A. Notify Director - CDC, Atlanta, GA 1-800-232-0124."
- Class 9 (Miscellaneous) or Dry Ice hazard labels which have a horizontal line across the middle must no longer have the horizontal line.

Obsolete October 1, 2014
